

Study Helps - Revelation

Journeys Through Revelation, Apocalyptic Hope for Today by Barbara Rossing is a different approach to the book of Revelation. It is written in a very teachable manner and Louise Lawson Johnson has provided great helps. All of the information given in Section I can be found on the PW Website. I thought it was of value to combine all the information for each lesson.

- I. Background information for Leaders
 - A. Information for lessons: The information for this section came from Workshop for Leaders by Joyce MacKichan Walker. Pages 6 and 7 are facts for each lesson in chart form.
